  - This year’s event is competing with many other local events.

IX. DIRECTOR REPORT
Health Insurance Selection
This is a “continuing conundrum” and will be revisited; currently one staff member is ready for insurance coverage, and two are required for group coverage. Alternatives continue to be explored.

Funds from the Conservancy are firm and those from the Wildlife Conservation Board are on the way. We should close on both properties (Watson and Bachofer) in the next few days.
Building/construction Progress
There’s not much to report to date.

Audubon Partnership- info prior to the retreat?
