14. Upcoming Agenda Items

1. INTRODUCTION OF GUESTS
Ian Caliendo, PG&E Public Affairs Director

2. APPROVAL OF MINUTES
John motioned for approval of March minutes, 2\textsuperscript{nd} from Mike, all present were in favor. Minutes from March were approved.

3. PUBLIC INPUT
Ian Caliendo, PG&E Public Affairs Director shared information on a study off our coast for a possible wave energy project, and offered to provide a more detailed presentation at a future meeting. He may be contacted at \texttt{ixc8@pge.com} or 445-5623.

4. NEW BOARD WELCOME AND INTRODUCTIONS
All in attendance introduced themselves, briefly explained their role in FOD, and shared committee involvement and specific committee “needs,” inviting new members to consider participation with various committees.

5. CAPITAL CAMPAIGN UPDATE
Cathy shared a list of potential pacesetter donor prospects from the capital campaign committee and the group went down the list to identify who knew each potential donor. This
will be helpful when it is time to make solicitations – board members, committee members, and staff will be able to either provide insight on how best to proceed with potential donors, or accompany a member of the Capital Campaign Committee on an ask.

6. APPROVE LOGO CONCEPT FOR HUMBOLDT COASTAL NATURE CENTER
Carol shared the most recent logo concepts for HCNC, which will be used for capital campaign materials, solicitation binders, and possibly signage. Mike motioned to approve the logo concepts, 2nd from Nancy, all present were in favor. Logo concepts were approved.

7. BUILDING COMMITTEE UPDATE
Mike reported on the building committee. Discussion focused on “How to secure a contractor” (e.g. advantages/disadvantages of RFQ v. RFP, of going through a bid process v. not, and using the same or different contractors for the renovation and exterior landscaping). This was informational only – no decisions were made. We will invite Kash to the next board meeting.

8. LAND TRUST UPDATE
Lisa reported on land trust activities, which are summarized in the April Committee Reports. The latest news is that the contract on the 9-acre Watson Property has been signed.

9. NEW TRAILS COMMITTEE
Carol requested guidelines from the board for the formation of a Trails Committee. After discussion, it was agreed that it may be too early to form a committee, but it would be valuable to have an evening discussion about trail guidelines for HCNC with input from Don Beers, Jeff Bue, and Alan Wilkinson.

10. RESOLUTION TO AUTHORIZE CAROL VANDERMEER TO BE THE SIGNATORY ON CONTRACT PAPERWORK WITH THE NRCS WILDLIFE INCENTIVES PROGRAM.
Nancy motioned for acceptance of resolution, 2nd from Mike, all present were in favor. Resolution to authorize Carol Vander Meer to be the signatory on contract paperwork with the NRCS Wildlife Incentives Program was approved.

11. FINANCIAL REPORT
None this month due to bookkeeper’s busy tax season.

12. QUESTIONS REGARDING COMMITTEE REPORTS/ANNOUNCEMENTS
Question for Nancy (Education Committee) regarding the “tarp” – it has an outline of the Bay painted on it, and is used in classrooms for educational purposes.
